

2017 SIMMENTALER SKOUKLASSE

AMPTELIKE STATUS (aanstelling van beoordelaars en amptelike katalogus)
ONDERWORPE AAN MINIMUM 50 DIERE

ALGEMENE INLIGTING (Die volgende moet in pryslys gepubliseer word)

- Ingevolge verskeie Simposiums-besluite MOET die “middel-van-die-pad” beleid deur beoordelaars toegepas word. Die fisiese meet van diere met ’n meetstok om kruishoogte te bepaal, word vervang met teeltwaardes vir Volwasse Gewig en 600 dae.
- Die afsnydatum vir ouderdom word deur die skou vasgestel.

1. GROEPE

- Die naam van die moeder (**klas 1**) en vader (**klasse 2 tot 4**) MOET op die voorgeskrewe inskrywingsvorm verstrek word.
- Siende dat die teling van ’n dier, en nie die **vertoner**, by afstammelingklasse beoordeel word, mag ’n vertoner **een dier** vir **klasse 1 tot 4** leen.
- Slegs diere wat in individuele klasse ingeskryf is, mag aan groepklasse deelneem.

2. VROULIKE DIERE

- ’n Koei in melk is ’n koei wat minder as 301 dae in laktasie is. (*Raads Jul 2005*)
- ’n Koei wat langer as 15 maande gelede gekalf het word nie toegelaat om geskou te word nie. N.v.t. op koeie wat gespoel is nie. (Spoelings voor 1^{ste} of na laaste kalwing word nie in berekening gebring nie. Maksimum van 3 spoelings word toegelaat waarvoor 56 dae per spoeling krediet aan koei gegee word. (*Raadsvergadering 8/2010*))
- Die aangehegde kalwingsvorm moet t.o.v. alle koeie en dragtige verse voltooi word.
- ’n Vers wat nie voor of op 39 maande kalf nie, word nie toegelaat om geskou te word nie.
- Ingevolge die Telersgenootskap se Konstitusie is beoordelaars verplig om reproduksiedata van diere in ag te neem en moet die volgende duidelik op ringkaarte van vroulike diere aangebring word:
 - Onder 4 jaar: Ouderdom en getal kalwings.
 - Bo 4 jaar: Ouderdom en Simdeks (Simdeks-penalisasie vir diere wat onder twee jaar gekalf het).

- Alle vroulike diere wat op skoueilings aangebied word, moet ook in individuele klasse geskou word.
- Beoordelaars moet deur die Ringgids aan die begin van 'n klas attent gemaak word op uiterstes (grootste 5% van ras) in 600 dae en/of MCW. Die beoordelaar gebruik sy eie diskresie in die toepassing van hierdie reël.
(*Simposium en jaarvergadering besluite*)

3. BULLE

- Beoordelaars is gevra (*Simposium*) om te diskrimineer teen bulle met geen of swakste 5% persentiel teeltwaardes vir geboortegewig en/of speengewig en sal attent gemaak word op sodanige bulle deur die Ringgids.
- Alle bulle, 12 maande en ouer, moet met 'n neusring vertoon word.
- Alle bulle wat op skoueilings aangebied word, moet ook in individuele klasse geskou word.

4. KLEREDRAG

- Hanteerders mag slegs met die Simmentaler skoudrag bestaande uit 'n groen oorpak met logo van die Genootskap, groen skoupet, wit waterskoene en Simmentaler "bubs", in die skouring verskyn. Skoudrag behalwe waterskoene is vanaf die kantoor verkrygbaar.
- Simmentaler – wit halters verpligtend.
- 'n Hanteerder wat nie met die voorgeskrewe kleredrag in die ring verskyn nie, sal versoek word om die ring te verlaat. 'n Ander hanteerder, met die korrekte kleredrag, kan sy plek inneem. Diere wat nie met die korrekte halter in die ring ingebring word nie, sal ook uitgejaag word.

2017 SIMMENTALER SHOW CLASSES

OFFICIAL STATUS (appointment of judges and official catalogue)
SUBJECT TO MINIMUM 50 ANIMALS

GENERAL INFORMATION (The following must be published in the price list)

- In accordance to several Symposium-decisions the “middle-of-the-road” policy **MUST** be applied by the judges. The physical measurement of animals for rump height will be replaced with the breeding values for mature cow weight EBV and 600 days.
- Age of animal (cut off date) is determined by the Show Society.

1. GROUPS

- The name of the Dam (class 1) and Sire (classes 2 to 4) **MUST** be completed on the enclosed application form.
- Seeing that the breeding of an animal and not the **exhibitor** is judged in progeny classes, an exhibitor is permitted to borrow **one animal** for classes **2 to 4**.
- Only animals entered into individual classes may participate in group classes,

2. FEMALES

- A cow in milk is a cow which is in lactation less than 301 days. *(Council Jul 2005)*
- A cow which has calved more than 15 months ago will not be allowed to be showed. This will not be applicable to cows that were flushed. (Flushings before 1st or after last calving will not be taken into account. A maximum of three flushings will be allowed of which credit of 56 days per flushing will be granted to the cow. *(Council 9/2010)*)
- The enclosed calving form must be completed for all cows and pregnant heifers.
- A heifer which doesn't calve on or before 39 months, will not be allowed to be showed.
- In terms of the Society's Constitution, judges are compelled to take reproduction data of animals into account. Data must be clearly entered on the ring cards of females:
 - Under 4 years: Age and number of calvings.
 - Over 4 years: Age and Simdex (Simdex-penalisation for animals that have calved under two years).

- All females on offer at show auctions, must also be showed in individual classes.
- Judges will be made aware by the ring steward at the beginning of each class of any extremes (highest 5% of breed) in 600 days and/or MCW. The Judge will be allowed to use his own discretion in applying this rule.
(*Symposium and annual meeting decisions*)

3. BULLS

- Judges are requested (*Symposium*) to discriminate against bulls who fall into category 5% weakest percentile EBV for birth and/or weaning weight. Judges will be informed of this by the ring steward at the onset of judging of relevant class.
- All bulls, 12 months and older, must be showed with a nose ring.
- All bulls on offer at show auctions, must also be showed in individual classes.

4. DRESS CODE

- Handlers may only appear in the ring with the Simmentaler show dress code consisting of green overalls with the Society's logo, green show cap, white water boots and Simmentaler "bubs". Show wear except water boots are available from the office.
- Simmentaler – white halters compulsory.
- A handler that appears in the ring without the prescribed dress code, will be asked to leave the ring. A second handler with the correct clothing can take his place. Animals that are brought into the ring with the incorrect halter, will be chased from the ring.
