Batch Mode: Manually add records
 Create a Batch from Pre-Built Worksheet
(To utilise this facility you must first notify either BREEDPLAN or the Society)

Batch Type: Simmentaler Calf Entry

Comments *:

* Enter comments describing the batch then click the **Create** button

PLEASE READ THIS FIRST

1. Kontak kantoor vir AFRIKAANSE weergawe hiervan en die geboorte kennisgewing kodes.
2. A birth notification must be completed for each calving (calf alive or dead, for or not for registration as well as abortions/dead calf)
3. Fee : Received up to 1 month after birth = no fee, thereafter a late fee.
4. Always check that the marks in the animals's ear correspond with the ID number on the certificate.
5. It is the responsibility of the breeder to make sure that the information on the birth or calfbook certificate matches his records.

You can add comments later if needed, for example, you can use the comments to advise why a warning needs to be overridden. e.g. To advise that you want an inactive dam reinstated.
