Traits observed: CE BWT 200WT 600WT(x2) FAT EMA IMF

Seller's remarks / Verkoper se kommentaar:

A masculine young bull with a good head and good width across the shoulders and down the length of his back. His mother is an incredibly fertile young cow with an average ICP of 391 days over 4 calves. Used in our stud and commercial heifer hrd with success.

Seller's remarks / Verkoper se kommentaar:

An easy fleshing, well-muscled bull from one of the most fertile cows in our herd with an average ICP of 339 days over 5 calves. This bull should breed replacement heifers that will add value to most herds.
